

Safety Data Sheet

according to Regulation (EC) No. 1907/2006

Issued on: 11.06.2018
Revised on:
Valid from: 11.06.2018
Version: 1

1. Identification of the substance / preparation and of the company

1.1 Product identifier

Lash 2in1 Shampoo Apfel/Granatapfel/Pfirsich

1.2 Relevant identified uses of the substance or mixture and uses advised against

1.2.1 Relevant uses

Skin care, Cosmetics

1.2.2 Uses advised against

None known.

1.3 Details of the supplier of the safety data sheet

Responsible Person GL Beautycompany GmbH
Wankelstraße 14
70563 Stuttgart
Email: info@gl-beauty.de

Manufacturer: MDM cosmetic products GmbH & Co. KG
Hölzlestr.26
D-72336 Balingen
Email: info@mdm-cosmetic.de

1.4 Emergency information:

Laboratory -phone: 0049-7433-90892-14
Email: labor@mdm-cosmetic.de

2. Hazards identification

When used properly, the product is safe and tolerable in accordance with the legal provisions (Article 2 of the EC Cosmetics Directive). The following information applies to inadvertent misuse or accidents as well as possibly to commercial uses.

3. Composition/information on ingredients

3.1 chemical characterization

Aqueous, easy foaming, surfactant containing product for cleansing the skin. Often in pump foamer packs.

3.2 Composition

Anionic surfactants (e.g. SODIUM LAURETH SULFATE) 40 %; Oils (e.g. vegetable and/or mineral), waxes and fats (e.g. long chain alcohols) 30 %; Amphoteric / non-ionic surfactants (e.g. ethoxylated sorbitan esters) 20 %; Humectants (e.g. GLYCERIN, PROPYLENE GLYCOL, SORBITOL) 20 %; Abrasives (e.g. POLYETHYLENE, walnuts) 10 %; Silicones including volatile silicones (e.g. CYCLOPENTASILOXANE, DIMETHICONE) 5 %; Thickeners (e.g. HYDROXYETHYLCELLULOSE) 5 %; Additional ingredients (e.g. plant extracts, vitamins) 5 %; PARFUM 3 %; Preservatives, antimicrobials 2 %; Colorants 1 %; AQUA (water) to 100 %.

4. First aid measures

Measures in the event of

- Inadvertent contact with eyes: rinse thoroughly with plenty of lukewarm water immediately; if irritation persists, consult ophthalmologist as a precautionary measure.
- Inadvertent ingestion of larger amounts: do not induce vomiting. Rinse out mouth and drink about one glass of water. Where appropriate, consult Poison Control Centre or doctor. In the case of babies/infants always inform the Poison Control Centre or doctor as a precautionary measure.
- Discomfort on contact of undiluted product with skin: immediately wash off with water; skincare. If skin irritation persists, consult doctor.

When consulting a doctor or a Poison Control Centre always have packaging or label and possibly package insert available.

5. Fire fighting measures

All common extinguishing agents are suitable.

6. Accidental release measures; disposal considerations

In the event of spillage/leakage: mop up main volume with cloths; remove rest with water. Rinse out impregnated cloths with water or dispose of them in accordance with the waste management directives of the municipality.

Packaging should be recycled after residual emptying; minor product residues may be rinsed out. Filled, unused packages must be disposed of separately in accordance with the waste management directives of the municipality.

7. Handling and storage

Must be used in accordance with manufacturer's instructions. Observe any warnings on packaging.

Avoid contact of undiluted product with eyes.

Store in a cool and dry place (room temperature). Reseal container after use.

8. Exposition limitation and personal protective equipment

Exposition limit value:	No limit value which is to be controlled is defined.
Hints for the arrangement of technical equipment:	No further indication necessary
Personal protective equipment:	Not necessary
Breathing protection:	Not necessary
Hand protection:	No special protective gloves necessary
Body protection:	No special protective measures necessary

9. Physical and chemical properties

9.1 Information on basic physical and chemical properties

Form:	liquid (foam)
Colour:	clear, colorless-slightly yellowish (white foam)
Odour:	characteristic odour

**Change of condition:**

Melting point/area:	not available
Boiling point:	not available
Flashing point:	not available
Ignition Temperature:	not available
Explosion limits:	not available
Vapour pressure:	not available
Density (d20/20):	1,00-1,03g/ml
Water solubility:	soluble
Viscosity:	not available
pH-value:	6,8-7,6

10. Stability and reactivity

Dangerous decomposition products:	None, in the case of correct treatment and storage
Thermal decomposition:	No decomposition if used correctly
Substances to be avoided:	No dangerous reactions known

11. Indications on toxicology

The categorisation was done on the basis of the calculation method of the guideline (1999/45/EG)

Acute Toxicity:	Not toxic
Long-term toxicological effects:	No long-term toxicological effects have been noticed with humans
Sensitisation:	Not sensitising
Mutagenicity, cancerogenic, reproduction toxicity:	Not known

12. Indications on ecology

Ecotoxic effects:	Quantitative data are not available.
Other indications:	In the case of appropriate handling and use, no ecological problems are to be expected.

13. Disposal considerations

If recycling is not possible, the product has to be disposed according to the applicable local legal regulations. Packaging which cannot be cleaned has to be disposed in the same way like the substance itself.

14. Transport Regulations

No dangerous goods according to the transport regulations.

15. Regulations

The product is classified according to the EC guidelines and the applicable national laws.

Code letter and risk description of the product:	none
Symbols:	none
R-marking:	none
S-marking:	none
Special marking:	none
Water endangering category:	In general not water-endangering

**16. Other indications and hints**

Refer to conditions of use and any warnings on the product or packaging.

For consultation in the event of poisoning, the Poison Control Centres have additional details about the individual products. When consulting a Poison Control Centre always keep packaging or label and possibly package insert available.

The above-mentioned indications are based on the current knowledge and are no assurance of characteristics. Existing laws and regulations are to be considered by the recipient of our product at his own responsibility.
